

GENERAL PRODUCTS & SERVICES

**DONE RIGHT.
YOUR PARTNER
FROM DAY ONE.**

The background image shows a large industrial facility, likely a water treatment plant, with various pipes, valves, and large cylindrical tanks. The scene is overlaid with a semi-transparent blue filter. The text is centered in the lower half of the image.

Turnkey solutions for piping systems & prefabricated assemblies

EXPERIENCE. SERVICE. RESOURCES.

Santa Fe Water System's experienced staff are committed to customer satisfaction with the resources to support ANY sized project.

30+

INDUSTRIAL & UTILITY
MARKETS** | *est. 1990* |

TURNKEY SUPPLY
COMPREHENSIVE SYSTEMS APPROACH

WHAT WE DO

- **TURNKEY PRODUCTS & SERVICES**

Industrial, Utility, & Stormwater Quality Piping Systems

- **FABRICATION**

Engineering Services, 3D Drawings, Shop Piping System Fabrication, Assembly, QC, and Testing

- **VALVE ACTUATION**

Electric and Pneumatic Valve Actuation plus Certified Hydro Testing

- **STORMWATER QUALITY SYSTEMS**

Comprehensive Stormwater Quality Management Systems ranging from Drywells to large Rainwater Harvesting Systems

- **CDART**

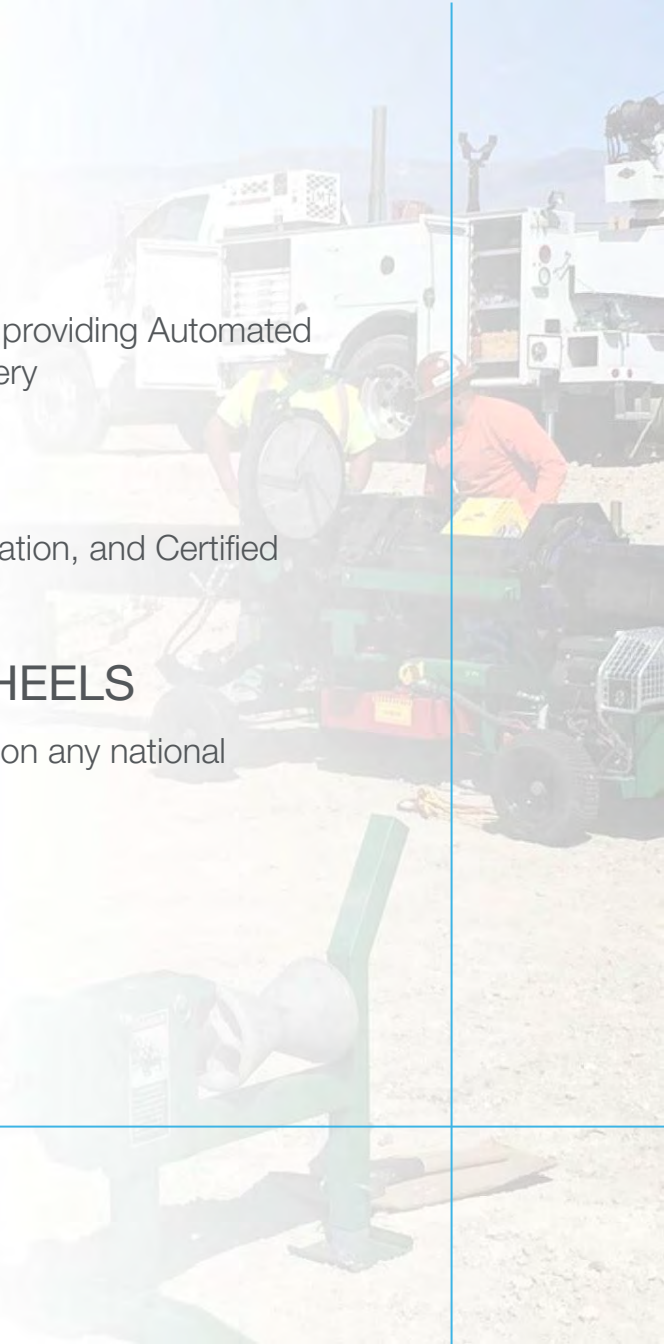

Mobile Irrigation System Trailer providing Automated Piping Deployment and Recovery

- **HDPE**

Fusion Equipment Fleet, Fabrication, and Certified Hydro Testing

- **WAREHOUSE ON WHEELS**

Provides job-specific inventory on any national jobsite location

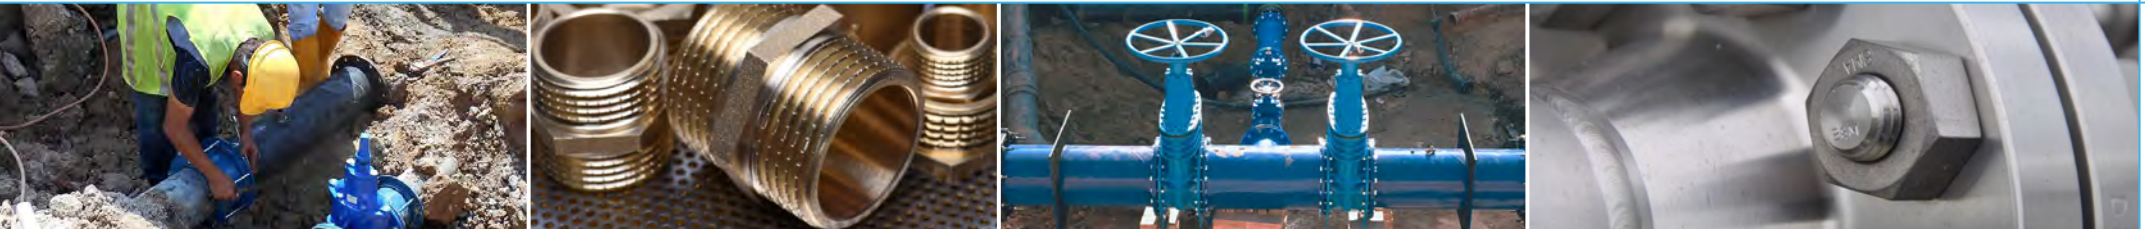

INDUSTRIAL PRODUCTS

- Piping System Components
- Dual Wall Piping Systems
- Pre-Insulated Piping Systems
- Fabricated Pipe Spools
- Expansion Joints
- Mechanical & Grooved Couplings
- Valves & Actuators
- Pumps & Testing
- Pipe Supports & Components
- Tank Systems
- Fasteners, Joining Systems & Glue
- HDPE Fusion Equipment, Operator & Training

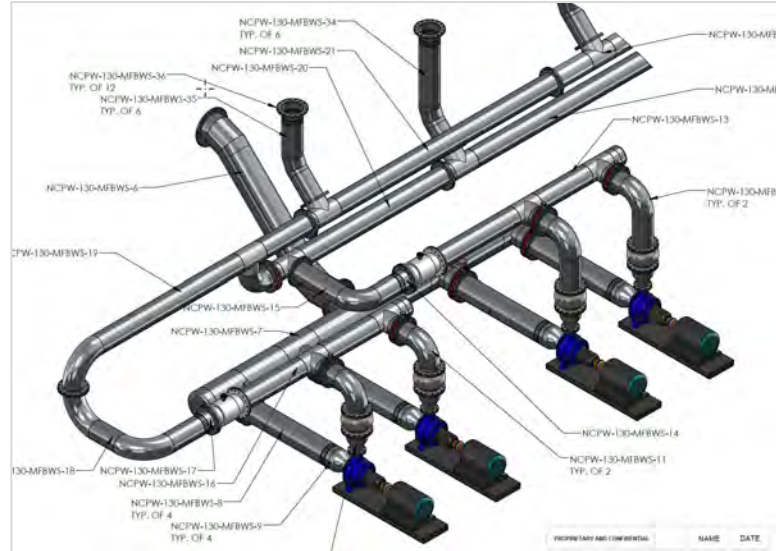

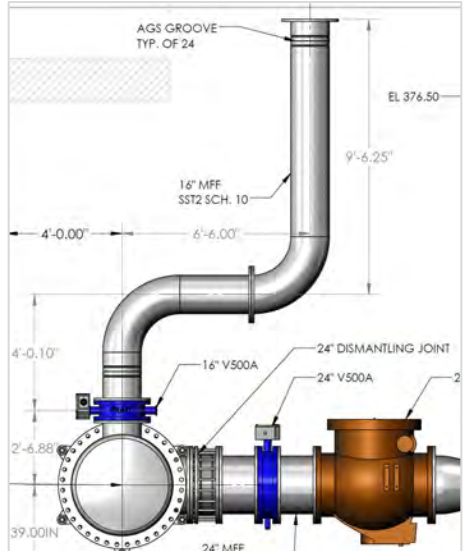

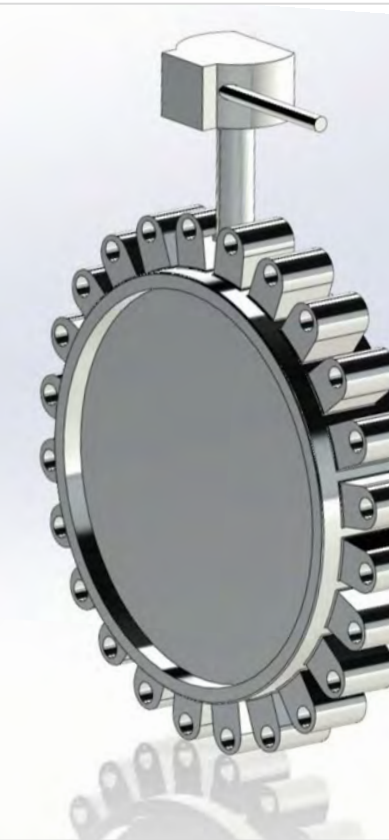

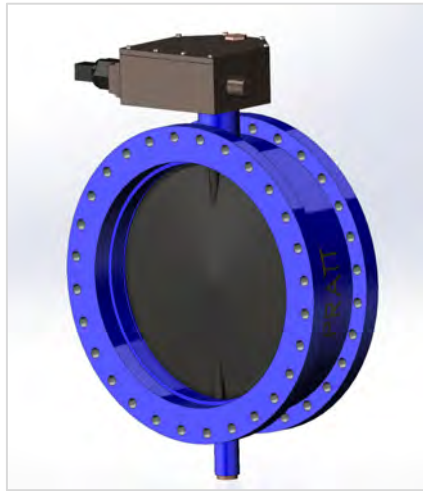

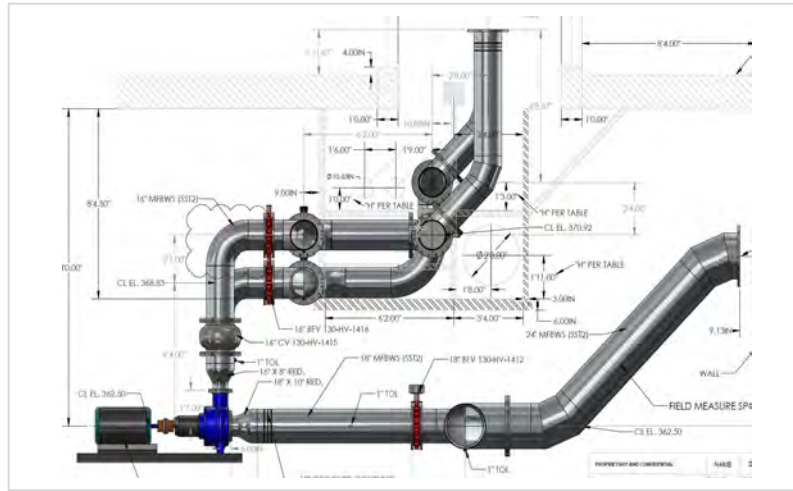

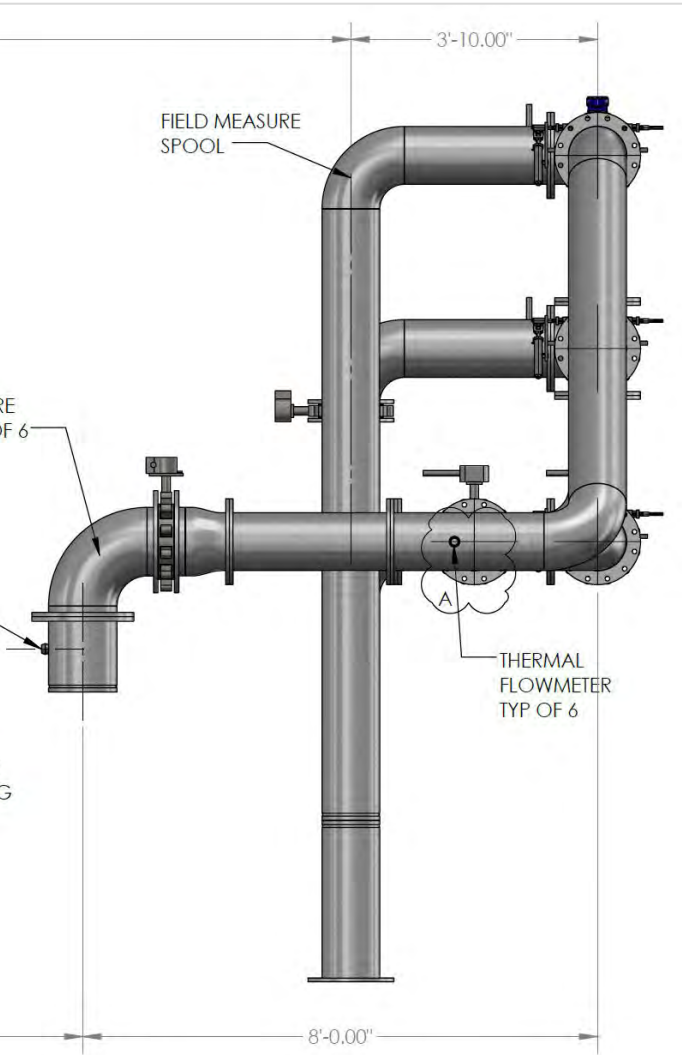

UTILITY PRODUCTS

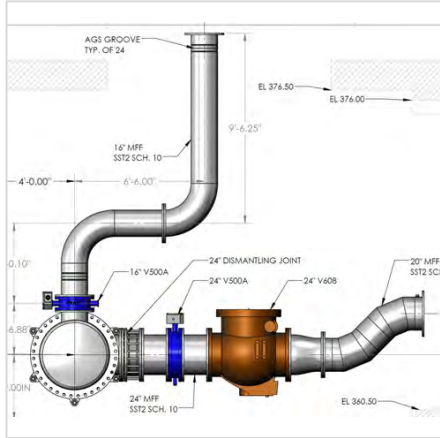

- Water Piping Systems
- Stormwater Quality Systems
- Design & Engineering
- In-House
- Acid Drain Systems
- Fabricated Pipe Spools
- Valves with Boxes & Vaults
- HDPE Water & Gas Systems
- Air/Vac & Pressure Release Assemblies
- Bolt Kits, Fasteners, Appurtenances
- Backflow Preventer
- Brass Services

WHY CHOOSE US?

WE PARTNER WITH YOU

Santa Fe Water Systems will share the risk, provide added-value, and focus on partner's success.

EXPERIENCE

Our employees provide extensive industry experience supporting the marketplace. Many of our employees have been with the company 20+ years.

COMPLETE SYSTEM SUPPLY

Our comprehensive product offering creates greater efficiencies in materials, logistics, and services support.

FABRICATION

Value-added services including engineering services, 3D modeling, Fab Shop piping system fabrication, assembly, and certified hydro testing provide a unique resource approach to our partners.

OUR CAMPUS

Our robust Industrial and Waterworks inventory empowers our state-of-the-art fabrication and testing facility to control many variables that ensure your finished product works to specifications.
